## In the Spotlight

### Theta Healing with Lumina Therapy

As a result of my work, people become happier, healthier, more confident and in love with themselves. We all have in a certain moment in life different barriers that stop us to grow and evolve: healthy issues, poor communication, wrong or bad relationships, unsatisfying job, low self-esteem, too many fears, too many worries... I am looking for individuals who are committed to changing their life, discovering the amazing energy from inside, able to break down all barriers. Whom do you know? Tuesdays or Wednesdays 2pm-8pm Or via Skype, Zoom or WhatsApp, Mondays 11am-5pm, Tuesdays 11am-1pm or Wednesdays 10am-1pm. Text Lumi for more details: **07407 048 913**
